

Literacy Night

Looking for an easy fundraising opportunity? Why not try a Literacy Night at The Bookstore! Simply distribute flyers to your students and families. They would bring in the designated flyer to The \$10 or less Bookstore and purchase books. Your school will earn 20% of the net sales accompanied with flyer. It's just like a Dine-Out PTA Night but promoting Literacy! It is that easy! Each book is priced at \$10.00 or less. Everyone is sure to find some great reads! The more books they purchase, the more money your school earns.

Ask your librarian and a few teachers to join in with a quick story time during the event and your students will be sure to want to participate just because their teacher is there at the bookstore.
